

English Voyage Academy Newsletter - Summer 2008

KIAORA! Hello from English Voyage Academy !!
Our Newsletter is back again now !
We will send you a seasonal letter of what's
happening at EVA and around beautiful
Coromandel Area.

Well, at the start of 2008, we have to say first,,,,
It's been soooo HOT!!!!

This is the hottest and driest summer ever in New
Zealand. We've enjoyed swimming and marine
sports a lot this summer. They say that the
summer this year will keep being hot until April!
Great!! A long summer for us.

Fortunately, we've just had a lot of rain for 2days,
and it has wet the land to keep it green.

New Whitianga Campus is now OPEN!

Finally, after long planning and effort by many
people, our school renovation is finished. We now
have 7 good sized classrooms, a sunny wooden
deck and a lovely spacious office & reception area
with teachers rooms.

It keeps the relaxing and friendly style as the
original building had, and a bit of a modern touch
on top. We are now working on the students'
computer room, which will be ready by the end of
this week. It is going to have 3 computers and
wireless internet, so students can bring their own
laptops to use as well. The student common room
is the same as before, but flows out onto the
wooden deck which leads to the classrooms &
office. We now have wheel chair access as well.
We are looking forward to welcoming lots of new
students in it !

Opening Party, 15 February 2008

Everyone must be thinking,
" EVA loves to party".

We had an opening party of the Thames
Campus last year, and this time, it's the
Whitianga Campus Opening.

We invited local people, school staff & Principals
from Mercury Bay Area School & Thames High
School, Current and Ex Students, and homestay
families to celebrate together. About 70 people
came and enjoyed Fruit Punch under the sun
with us. We thank everyone who came to our
party, and also thank everyone who could not
make it to the party but always support us.

Student of the Month: Dong Eun Kim (Korea)

" Lessons were awesome!!
The level was a little bit
difficult, but I think I
improved my English.
Actually, the most funny
thing at EVA was
activities!! I enjoyed all of
them, but Banana Boating
was the best!!

EVA Staff, Teachers, Equipment and Environment were
all Perfect! Whitianga town was a bit quiet but I
enjoyed it here ~. Thank you for teaching me."

~From EVA~ You have got a lovely smile and keenness
to study and experience everything here. It was great
to have you, Dong Eun. All the best!!
